The Artisan(tm) Collection

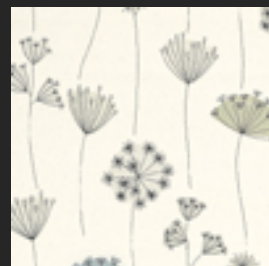

Dear Vivian,

Thank you for your interest in Sun Glow Window Coverings' new Collection, the ARTISAN COLLECTION, as seen at the Interior Design Show in February. The ARTISAN COLLECTION combines a unique assembly of environmentally friendly fabrics, contemporary braids and interesting pulls to revolutionize the roller shade. We have included more information below on the Artisan Collection as well our other product line.

Artisan Fabrics

80 exciting fabrics consisting of prints, textures, black outs, and translucents to meet various sun control needs. All fabrics are PVC free and have been awarded the oeko-tex 100 certification.

[Learn More](#)

Artisan Braids

Our extensive collection of braids co-ordinate with the fabrics allowing you to create a unique look.

The Artisan sample binders are now available. The set consists of two attractive binders, one for the fabrics and the other for the accessories.

[View our Marketing Materials](#)

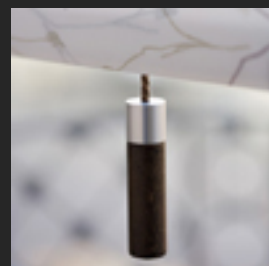

Artisan Pulls

Coordinating pulls from varied materials consisting of glass, leather, suede, wood add additional interest and functionality to your shade.

Shades can be operated manually with a chain system, or through NEO, a chain-less system. All our window treatments can be automated to operate through a remote control or wall switch.

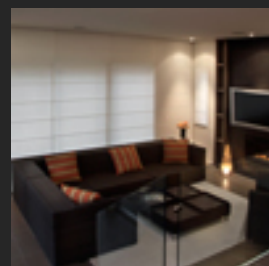

[More on the Artisan Accessories](#)

Panel Track

Sliding vertical panels make Panel Track ideally suited for patio doors, large windows, and room dividers. Wood mouldings are available as a decorative accent. Panel tracks could be manually operated or automated.

Roman Shades

Classic elegance with modern function combine to create the Roman Shade. Roman Shades are available in both flat and hobbled styles and can be operated manually or automated.

Graphic Shades

From promotional images for commercial clients to an added element of personal expression through ones home, even banners, signage, and pop-up displays; Graphic Shades can do it all.
