† Colour Limitations

126 inch widths available only in the following colours:

SW2000: P02, P04, P05, Q05, Q06, Q10

SW4000, SW4400: P06, P07, P10, Q12, Q15, Q16, V10

All other widths available in full colour range.

Fabric Care and Cleaning

Sun Screen Interior Sun Control Fabrics:

Can use a mild detergent, brush and rinse.

+ Order Limitations

These fabrics are available for large orders requiring a minimum of one roll.

Dye Lots

Colours of dye lots may vary within commercial tolerances. Colours of fabrics may vary from samples. We cannot guarantee exact dye lots as sampled. THIS APPLIES TO ALL PRODUCT LINES. Matching dye lots may cause delay in delivery. We cannot guarantee dye lots on subsequent or different orders.

Wide Shades

Shades of wider widths can only be fabricated with railroading and/or seaming the fabric. Limitations in this regard are outlined on the specific price pages. Please note that railroading some fabrics will change their appearance greatly.

Graphic Shades

* Not all colours in the fabric category are appropriate for printing, see fabric catalogue for recommendations.
